---	--	--

**1** PRODUCT AND COMPANY IDENTIFICATION

**Product Name:** Construcril Finish Coat  
**Company Name:** Construcril Indústria e Comércio Ltda  
**Address:** 233, Sargento Antonio Vieira Noia, street – Cidade Saúde Itapevi – Sp – CEP: 06693-080  
**Phone/ Fax:** (11) 4141-8203  
**Website:** www.construcril.com.br      **Email:** construcril@construcril.com.br

**2** COMPOSITION AND INFORMATION ON INGREDIENTS

**Product Type:** Prepared

CHEMICAL NAME	PERCENTAGE (BY WEIGHT)	CAS NUMBER
CALCIUM SULFATE	<40	10034-76-1

**3** HAZARDS IDENTIFICATION

Non flammable product.  
 Product contains no hazardous material.  
 Handling in accordance with proper hygiene and safety practices.  
 As all products should not be handled by persons who have not been properly trained and directed.  
 Environment: the product is miscible with water and may affect the ecosystem.

**4** FIRST AID MEASURES

**Eye Contact:** Flush eyes with plenty of water for at least 15 minutes, holding eyelids open. Seek medical attention immediately.  
**Ingestion:** Do not induce vomiting. If the victim is unconscious and vomiting occurs spontaneously, lay on the side and keep at rest. Seek immediate medical help.  
**Inhalation:** Remove exposed person to fresh air.  
 Most important symptoms and effects, acute or delayed: No symptoms and effects expected after exposure to the product.

**5** PREVENTIVE MEASURES AND FIRE FIGHTING

There is no restriction on the type of extinguisher that can be used. Use locally available extinguishing media.

**6****CONTROL MEASURES FOR SPILLAGE / LEAKAGE**

**Methods and materials for containment and cleaning up:** Collect the product with a clean shovel or other instrument that does not disperse the product. Place material in appropriate containers and remove to a safe place.

**Large proportions:** There is no distinction between the actions of large and small leaks.

**Environmental precautions:** Prevent spilled material from reaching waterways and sewers.

**7****HANDLING AND STORAGE**

**Prevention of worker exposure:** Handle product in well-ventilated area with appropriate personal protective equipment.

Do not throw or drop the containers with the product. Close container tightly when not in use. After using the product, wash your hands thoroughly before eating, smoking or performing physiological needs.

**Fire and Explosion Prevention:** Does not require special precautions as it is not flammable or explosive.

**Precautions for safe handling:** Wear appropriate personal protective equipment.

**8****EXPOSURE CONTROL AND PERSONAL PROTECTION**

**Respiratory Protection:** Use respirator with filter. When sanding the applied surface use a suitable dust filter mask.

**Hand protection:** Wear latex gloves.

**Eye Protection:** Wear suitable safety goggles.

**Skin and body protection:** Wear protective clothing to prevent skin contact with the product.

**9****PHYSICAL AND CHEMICAL PROPERTIES**

**Physical State:** Pasty liquid,

**Color:** white.

**Odor:** mild

**Solubility:** Soluble in water.

**pH:** 9 - 10

**Melting point / freezing point:** Not available.

**Density:** 1.60 - 1.70 g / cm<sup>3</sup> at 25 ° C

--	---	---

**10****STABILITY AND REACTIVITY**

**Instability:** Under normal conditions of storage and use the product is stable.

**Hazardous reactions:** Hazardous reactions should not occur if the product is stored, applied and processed correctly.

**Conditions to Avoid:** High or very low temperatures may cause the product to become unstable.

**Incompatible materials or substances:** Products that react with water.

**11****TOXICOLOGICAL INFORMATION**

**Inhalation:** There is evidence to suggest that the material may cause respiratory irritation in some people.

**Skin Contact:** There is some evidence to suggest that the material may cause a mild inflammatory reaction of the skin either upon direct contact or over time. Repeated exposure may cause contact dermatitis which is characterized by redness, swelling and blistering. Skin with open or irritated cuts should not be exposed to this material. Entry into the bloodstream through, for example, cuts, abrasions or injuries, can produce systemic injury with harmful effects.

**Eye Contact:** May cause irritation.

**12****ECOLOGICAL INFORMATION**

**Mobility:** All measures should be taken in compliance with the requirements of local environmental agencies.

**Persistence/Degradability:** Product not totally degradable.

**Environmental impact:** Product partially soluble in water.

**13****CONSIDERATIONS ON TREATMENT AND DISPOSAL****Treatment and disposal methods**

**Product:** Co-processing, thermal decomposition or industrial landfill, in compliance with the local regulations in force. Do not dispose of this product into sewers, rivers, lakes and springs.

**Product waste:** Wastes must be disposed of in compliance with the local regulations in force.

**Used packaging:** Packaging must not be reused.

**14****TRANSPORT INFORMATION****National and international recommendations****Terrestrial:**

UN: Not applicable.

Hazard Class: Not applicable.

Hazard Number: Not applicable.

Packaging group: Not applicable.

Proper Shipping Name: PRODUCT IS NOT CLASSIFIED AS DANGEROUS CARGO
