1

PRODUCT AND COMPANY IDENTIFICATION

Product Name: Construcril Gesso Cola
Company Name: Construcril Indústria e Comércio Ltda
Address: 233, Sargento Antonio Vieira Noia, street – Cidade Saúde Itapevi – Sp – CEP: 06693-080
Phone/ Fax: (11) 4141-8203
Website: www.construcril.com.br **Email:** construcril@construcril.com.br

2

COMPOSITION AND INFORMATION ON INGREDIENTS

CHEMICAL NAME	PERCENTAGE (BY WEIGHT)	CAS NUMBER
ADDITIONS	<10	NA
CALCIUM CARBONATE	<30	9032-42-2
CALCIUM SULFATE	>60	10034-76-1

3

HAZARDS IDENTIFICATION

Non flammable product.
 Product contains no hazardous material.
 Handling in accordance with proper hygiene and safety practices.
 As all products should not be handled by persons who have not been properly trained and directed.
 Environment: the product is miscible with water and may affect the ecosystem.

4

FIRST AID MEASURES

Eye Contact: Flush eyes with plenty of water for at least 15 minutes, holding eyelids open. Seek medical attention immediately.
Ingestion: Do not induce vomiting. If the victim is unconscious and vomiting occurs spontaneously, lay on the side and keep at rest. Seek immediate medical help.

5

11**TOXICOLOGICAL INFORMATION**

Inhalation: There is evidence to suggest that the material may cause respiratory irritation in some people.

Skin Contact: There is some evidence to suggest that the material may cause a mild inflammatory reaction of the skin either upon direct contact or over time. Repeated exposure may cause contact dermatitis which is characterized by redness, swelling and blistering. Skin with open or irritated cuts should not be exposed to this material. Entry into the bloodstream through, for example, cuts, abrasions or injuries, can produce systemic injury with harmful effects.

Eye Contact: May cause irritation.

12**ECOLOGICAL INFORMATION**

Mobility: All measures must be taken in accordance with the requirements of local environmental agencies.

Persistence / Degradability: Product not fully degradable.

Environmental impact: Partially water soluble product.

13**CONSIDERATIONS ON TREATMENT AND DISPOSAL**

Product: Co-processing, thermal decomposition or industrial landfill, according to local regulations. Do not discard this product in sewers, rivers, lakes and springs.

Product Waste: Waste that will no longer be used should be disposed of in accordance with local regulations.

Used packaging: Packaging should not be reused.
